

Dear Parent,

Please allow me to introduce myself. My name is Greg Lillestrand. I serve as National Director of the Worldwide Student Network (WSN) of Campus Crusade for Christ. WSN is simply the international scope of our Campus Ministry.

Your child has expressed an interest in participating in an international summer project. Working with college students the past 15 years as a staff member with Campus Crusade, I have seen the positive effect an international experience has on students. However, I am sure you have some questions about our organization and your child's opportunity.

Campus Crusade is an interdenominational Christian organization founded in 1951 with the purpose of helping to fulfill the Great Commission of Jesus Christ as recorded in Matthew 28:18-20. Today more than 26,000 staff members and 225,000 volunteers work in more than 191 countries worldwide. We see ourselves as an extension of the local church with expertise in particular areas, working closely with pastors and churches throughout the United States and the world.

Every year our summer projects involve American students, recent graduates, lay people, and full-time Campus Crusade staff members. Approximately 1,500 students and staff members will travel to over 80 locations around the world this summer.

After 18 years of organizing international summer projects, we have seen that students experience the following benefits: international travel in a supervised Christian context, learning about another culture and language, new appreciation of the privileges we have as Americans, development of personal and spiritual maturity, and the exciting opportunity of helping to bring the good news of Jesus Christ to the world.

We desire that you be informed about our summer projects and what they involve. I support you, both as a parent and in your role as a guide and guardian of your child. Your comments will be an important factor in our consideration of your child's acceptance.

Please take a moment to complete the form on the back of this letter indicating you have discussed this with your son or daughter. Should your child be accepted for a summer project with Campus Crusade, know that every effort will be made to ensure your child's summer is a safe and positive one.

If you have any further questions, please feel free to call me at (407) 826-2500, or contact your local Campus Crusade representative. I appreciate your willingness to consider your child's desire to be a part of this international experience.

In Christ,

Greg Lillestrand
