## *Summer Projects*

*Dear Friend,*

Thank you for your interest in a summer project with Campus Crusade for Christ. Whether you stay here in the United States or go overseas, your involvement in a summer project will change your life by deepening your walk with Christ; developing your evangelism, discipleship and leadership skills; and preparing you for a lifetime of ministry for the Lord.

You'll find your application materials enclosed. Fill them out and return them to us as soon as possible, following the instruction sheet carefully. You'll hear the decision of your acceptance according to the following schedule:

*Application postmarked by:*

January 24  
February 24

*Response received by:*

February 28  
March 28

It is our desire to honor your first preference for project location whenever possible. Sometimes, due to either limited openings or other circumstances, we are unable to do so. Know that we desire the best location for your personal and spiritual growth this summer.

Each summer project requires funds for housing, materials, food, etc. A typical U.S. location costs around \$2,200 whereas the average international project cost is \$3,500. We strongly encourage you to raise support to cover these expenses. Upon acceptance, you'll be given helpful instructions on how to do this. Begin praying now for churches and friends who can be financial partners in your summer project.

We are privileged to have you join with us in this exciting ministry. Please continue checking our Web site at [www.CampusCrusadeForChrist.com](http://www.CampusCrusadeForChrist.com) for updates and more information. We will be praying for you as you seek God about where He would have you this summer.

Serving with you,

WSN Projects

U.S. Summer Projects

Dear Parent,

Please allow me to introduce myself. My name is Greg Lillestrand. I serve as National Director of the Worldwide Student Network (WSN) of Campus Crusade for Christ. WSN is simply the international scope of our Campus Ministry.

Your child has expressed an interest in participating in an international summer project. Working with college students the past 15 years as a staff member with Campus Crusade, I have seen the positive effect an international experience has on students. However, I am sure you have some questions about our organization and your child's opportunity.

Campus Crusade is an interdenominational Christian organization founded in 1951 with the purpose of helping to fulfill the Great Commission of Jesus Christ as recorded in Matthew 28:18-20. Today more than 26,000 staff members and 225,000 volunteers work in more than 191 countries worldwide. We see ourselves as an extension of the local church with expertise in particular areas, working closely with pastors and churches throughout the United States and the world.

Every year our summer projects involve American students, recent graduates, lay people, and full-time Campus Crusade staff members. Approximately 1,500 students and staff members will travel to over 80 locations around the world this summer.

After 18 years of organizing international summer projects, we have seen that students experience the following benefits: international travel in a supervised Christian context, learning about another culture and language, new appreciation of the privileges we have as Americans, development of personal and spiritual maturity, and the exciting opportunity of helping to bring the good news of Jesus Christ to the world.

We desire that you be informed about our summer projects and what they involve. I support you, both as a parent and in your role as a guide and guardian of your child. Your comments will be an important factor in our consideration of your child's acceptance.

Please take a moment to complete the form on the back of this letter indicating you have discussed this with your son or daughter. Should your child be accepted for a summer project with Campus Crusade, know that every effort will be made to ensure your child's summer is a safe and positive one.

If you have any further questions, please feel free to call me at (407) 826-2500, or contact your local Campus Crusade representative. I appreciate your willingness to consider your child's desire to be a part of this international experience.

In Christ,

Greg Lillestrand

For the quickest, easiest and least expensive application experience, follow the instructions at [www.apply4summerproject.com](http://www.apply4summerproject.com). Or, continue with the following steps:

**1** Complete your portion of the paper application (stapled sheets). Be sure to list your top five preferences—by project name—on the top of your application. The preferences are listed on [www.CampusCrusadeForChrist.com](http://www.CampusCrusadeForChrist.com).

## Confidential

Please answer the following questions honestly. Your answers to these questions will not necessarily disqualify you for acceptance. The information you share with us will be treated confidentially. We may need to phone you if we have questions. (Please use the back of this page if you need more writing space.)

22 Do you have a police or prison record?  
☐ Yes ☐ No If yes, explain the details below.

23 Do you consume alcoholic beverages?  
☐ Sometimes ☐ No In what situations and how often do you use alcohol? Would you consider this an area with which you struggle?

24 In the last 12 months, have you used narcotics, hallucinogens, or drugs not prescribed by a physician?  
☐ Yes ☐ No If yes, explain the details below.

The Bible makes it clear that we should avoid sexual immorality (I Thess. 4:3-6). Though God's forgiveness is complete, there is a distinction between forgiveness for past sins and being suitable for spiritual leadership. I Timothy 3 outlines qualifications necessary for those who desire to be spiritual leaders, such as being "above reproach" and having a "good reputation." Please answer the following questions honestly. Your answers to these questions will not necessarily disqualify you for acceptance, provided 1) it can be determined that convictions are strong and consistent with Scripture, and 2) a sufficient time-tested track record of victory has been established. The information you share with us will be treated confidentially. We may need to call you if we have questions. If you prefer to discuss your answers in more detail over the phone, we still need you to respond to the questions in writing.
